TL Notes

As of this chapter, the original release is on chapter 230, and I've only read up to chapter 4. I make no guarantees as to how far this will go or how much I'll cover, but for now I want to keep doing this.

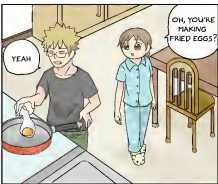

--Kikki

Also, this is my first scanlation project, and I'm doing it alone. Bear with me as I learn how to do things.

Ch. 1: The First Turn
